FOR IMMEDIATE RELEASE

E-Z Data and EMSI Partner to Offer Integrated Ordering of Underwriting Requirements

Scottsdale, AZ – May 16, 2008 – Examination Management Services, Inc. (EMSI) and E-Z Data, Inc. announced today that users of E-Z Data's SmartOffice® and Commerce Agency® agency management systems can now seamlessly order and receive status of underwriting requirements from EMSI directly from the E-Z Data system.

SmartOffice and Commerce Agency are now linked to EMSI's ordering platform to provide agents, brokers and carriers with real-time electronic order processing for paramedical exams and attending physician statements (APS). Customers can view results on EMSI's Web site, EMSIOnline.

"This partnership with E-Z Data increases order efficiency, reduces expenses and improves cycle times. Agencies and brokerages will be able to access EMSIOnline's full range of services from the convenience of their E-Z Data system," said Mark Davis, president and chief executive officer of EMSI. "Our national network of brokerage sales professionals is currently reaching out to users of E-Z Data's systems to transition them to the new process."

"Integrating with EMSI will bring substantial value to our customers," said Dale Okuno, CLU, E-Z Data's president and chief executive officer. "This partnership will make ordering underwriting requirements fast, efficient and hassle-free for our clients."

About EMSI

Examination Management Services, Inc. (EMSI) provides leading-edge medical information, risk management and investigation services to support informed, reliable business decisions in the insurance, legal, clinical and business communities. Building on 30 years of unwavering commitment to outstanding customer service, continuous quality improvement and creative service options, we partner with our customers to increase profits, enhance productivity and promote rapid growth. We are the largest provider of medical record retrieval services and a leading provider of paramedical examination, inspection, teleunderwriting and claim investigation services. Through multiple regional call centers, a national service center, a nationwide network of affiliate offices and the most advanced technology, we give our clients the attention to detail of a local office with the speed and consistency of a large company.
