### **Nick Smith to Lead Network Development**

EMSI is pleased to announce the appointment of Nick Smith as vice president, network development in the Exam and Health Services Division. Nick is responsible for building and managing EMSI's specialized networks of providers for our Exam and HSD lines of business. He will focus on recruitment, training, continuous quality improvement, accreditation and compliance of all providers within our networks.

Initially, Nick will create a network of physicians to provide medical evaluations for senior members of Medicare Advantage plans as part of our unique new healthcare services. Thereafter, he will continue building EMSI's other networks by recruiting and training providers for our drug testing, fingerprinting and paramedical exam markets.

"Nick's tremendous experience and accomplishments in network development in industry-leading and growing healthcare companies, combined with his tenacity and drive for success, make him the ideal person to help EMSI expand our healthcare services and complement our outstanding team of people," said Susan Gilmartin, vice president, Exam Operations.

Nick brings with him over 20 years of experience in the healthcare industry. He most recently served as a senior director with HealthMarkets. Before that he served in different capacities for leading healthcare organizations including Cigna, Amerigroup Corp., Healthsouth and United Healthcare. Nick earned his Bachelor's degree in business administration from Tampa College.

Nick's first day with EMSI was September 15, 2008. He works in our Irving, TX office and reports to Susan Gilmartin. Nick can be reached at (214) 689-8029 or [nsmith@emsinet.com](mailto:nsmith@emsinet.com).
